

BLOOD PRAYER

Today we bring it all before you.

We lay down every burden, every frustration and every desire to take matters into our own hands.

Your word reminds us in 1 Peter 5:7 to cast all our cares upon you because you care for us.

Today Father, we do exactly that.

Lord, we confess there have been moments when we allowed anger, fear or frustration to take control of our hearts.

There have been times when we wanted immediate answers, immediate justice and immediate resolution.

But today we choose a different path.

We choose to trust you.

We choose to surrender every situation into your hands.

We acknowledge you see what we cannot see and you understand what we do not understand.

Let our hearts be aligned with your will and not driven by our emotions.

Father, we surrender every enemy, every situation and every hidden battle into your hands.

We do not deny these situations are real but we declare you are greater than all of them.

We release the need to control outcomes.

We release the desire to defend ourselves in our own strength.

We release every form of worry and anxiety.

Instead, we place everything before you, trusting the God of justice will handle every matter in the right way and at the right time.

Lord Jesus, we come under the covering of your precious blood.

The blood of Jesus is the foundation of your confidence.

It is because of your sacrifice we can stand before God today without fear.

Hebrews 10:19 tells us we can enter boldly into the presence of God because of the blood of Jesus.

Today we stand in that boldness not because of who we are but because of what you have done.

Let the blood of Jesus cleanse our hearts, purify our thoughts and prepare us to receive from you.

Father, we also ask that you remove anything within us that could block your work. Remove pride, remove bitterness, remove unforgiveness, remove anything that does not align with your spirit.

We do not want to carry anything into this prayer that would limit what you want to do.

Cleanse us, renew us and prepare us so we can stand before you with pure hearts and clear minds.

Lord, we humble ourselves before you just as your word says in James 4:10 "Humble yourselves before the Lord and he will exalt you.

You are the one who defends, the one who protects and the one who brings justice. Father, as we continue this prayer we do not move forward in our own authority.

We move forward under your authority.

We are not here to fight with human strength but to stand in spiritual alignment with your power.

Let everything that follows in this prayer be guided by your spirit and established by you.
