

Seven Places Jesus Shed His Blood & its significance

Communion is such a powerful tool we have as the body of Christ, not only to remember that Christ died for us, conquered the grave and rose again in victory but also to remember we can walk in complete freedom from the enemy in every area of our life. Communion is something we can do on a daily basis to claim victory in any circumstance we are going through by claiming, decreeing and declaring the freedom and victory Christ Jesus has given us through what He went through. Here are the 7 places Jesus shed His Blood for us and the significance in the area we have victory over and complete freedom from the enemy.

1) The Sweating of Blood (In the garden of Gethsemane)

Luke 22:40-44 NKJV- When He came to the place He said to them, "Pray you may not enter into temptation." And He was withdrawn from them about a stone's throw and He knelt down and prayed saying, "Father, if it is Your will, take this cup away from Me; nevertheless not My will, but Yours be done." Then an angel appeared to Him from heaven, strengthening Him. And being in agony, He prayed more earnestly. Then His sweat became like great drops of blood falling down to the ground.

This signifies Jesus Won Back Our Willpower to resist temptation because He overcame the greatest temptation that was so intense it caused Him to sweat blood.

2) The stripes on Jesus back and shedding of blood at the whipping post.

John 19:1 So then Pilate took Jesus and scourged Him.

Isa 53:5 But he was wounded for our transgressions, he was bruised for our iniquities: the chastisement of our peace was upon him; and with his stripes we are healed.

This signifies Jesus has won back our Health. His body was broken so ours could be made whole.

3) He was bruised and suffered Internal bleeding from being beaten.

Isa 53:5 But he was wounded for our transgressions, he was bruised for our iniquities:

This signifies Jesus won back our right standing with God & delivered us from our iniquities (Wickedness/Sin)

4) The shedding of blood when receiving the Crown of Thorns upon his head.

John 19:2 And the soldiers twisted a crown of thorns and put it on His head and they put on Him a purple robe.

This signifies Jesus has won back our Peace of mind and that we are free of torment. The enemy can no longer torment our minds.

5) The blood that was shed through Jesus' Pierced Hands.

Matt 27:35 *Then they crucified Him and divided His garments, casting lots, that it might be fulfilled which was spoken by the prophet: "They divided My garments among them, And for My clothing they cast lots." (It was custom in those days to crucify people by nailing their hands & feet to the cross).*

This signifies Jesus won back our prosperity so everything we put our hands to shall prosper.

6) The blood that was shed through Jesus' Pierced Feet.

Matt 27:35

This signifies Jesus won back our dominion & authority

Gen 1:26 says *"Then God said "Let Us make man in Our image, according to Our likeness; let them have dominion over the fish of the sea, over the birds of the air and over the cattle, over all the earth and over every creeping thing that creeps on the earth."*

Luke 10:19 says *"Behold, I give to you authority to tread on serpents and scorpions and over all the authority of the enemy. And nothing shall by any means hurt you."*

7) The blood that was shed through the spear in Jesus side.

John 19:34 *"But one of the soldiers pierced His side with a spear and immediately blood and water came out."*

The fact that blood & water flowed from his side symbolizes Jesus died from a broken heart, the intensity and anguish of the weight and burden of all of our sins He took on Himself and our continual betrayal against Him was too much to bear & ultimately caused His Heart to stop beating. This signifies Jesus won back our Joy and healed us of our broken Hearts.

Imagine for a moment, the most traumatic emotional experience you have ever experienced. I know myself there has been at least a few times I have experienced such emotional anguish it felt like my heart was going to stop or I would literally implode. Now imagine the emotional guilt you feel when you sin, when you really blow it. Now multiply that emotional anguish, pain, suffering and guilt of sin by the entire population of the world, no human being is able to handle that much emotional stress and it is physiologically impossible for any human heart to endure without failing. That's the magnitude of what Jesus Christ took on himself to purchase our freedom and salvation. It's no wonder His heart failed and He literally died of a broken heart.

Something I find quite interesting is God never does anything by accident or as a random event, everything He does & everything that is in the Bible is deliberate and for a reason even the significance of numbers used in the bible. There are so many hidden gems if we study out the Bible and understand that even in a scripture we have read over & over there might still be something the Lord is trying to tell us, whether it be a specific number or a time & place, we need

to allow ourselves to be directed by The Holy Spirit when reading the Bible to get the revelation the Lord is wanting to share with us at that specific time for a specific purpose.

7 is the number of Completion and Perfection (Both in the Physical & Spiritual).

- Jesus needed to shed his blood 7 times in 7 different areas of His body so we could receive a complete and perfect Salvation and Freedom from the Enemy.

Jesus paid the ultimate price for our Freedom by taking on our sin and purchasing the punishment of our sin which was ultimately death and eternity in Hell. Jesus took back the keys of Authority to the earth Satan stole from us and through His resurrection Jesus completed the transaction and the Enemy was defeated from our lives in every area of our life. Through our Salvation in Christ we were restored to our original Identity which is in Christ and given complete access and restoration to our freedom from the Enemy and our Authority over the Enemy.
